- Własna produkcja – bo chcemy mieć realny wpływ na to, co tworzymy: od pomysłu po gotowy produkt.

## our new strategy

# zrównoważony rozwój w nomet

## zrównoważony rozwój w nomet

Działamy odpowiedzialnie – z myślą o środowisku i przyszłych pokoleniach. Od lat konsekwentnie ograniczamy wpływ naszej produkcji na otoczenie. Korzystamy z nowoczesnych, energooszczędnych technologii, certyfikowanych komponentów i odnawialnych źródeł energii. Dwie farmy fotowoltaiczne, własna produkcja energii, systemy zarządzania zużyciem i modernizacja infrastruktury przyniosły znaczącą redukcję emisji CO<sub>2</sub> – o 2200 ton rocznie. To tak, jakby z ulic Torunia zniknęło 1200 samochodów spalowych.

### nasze cele to:

- redukcja zużycia energii i wody,
- więcej materiałów z recyklingu,
- mniej odpadów i większy odzysk surowców.

Potwierdzeniem naszych działań jest certyfikat **ISO 14001:2015**. Dziękujemy, że jesteście z nami – wspólnie dbajmy o planetę.

## sustainability at nomet

We act responsibly – with the environment and future generations in mind. For years, we've been consistently reducing the environmental impact of our production. We use modern, energy-efficient technologies, certified components, and renewable energy sources. Our two photovoltaic farms, in-house energy production, consumption monitoring systems, and infrastructure upgrades have led to a significant CO<sub>2</sub> reduction – 2,200 tons per year. That's equivalent to taking 1,200 combustion-engine cars off the streets of Toruń.

### our goals include:

- reducing energy and water consumption,
- increasing the use of recycled materials,
- minimizing waste and maximizing material recovery.

Our efforts are confirmed by the **ISO 14001:2015** certification. Thank you for being with us – together, we can take care of the planet.

Nieustannie poszukujemy nowych pomysłów i rozwiązań, które odpowiadają na realne potrzeby projektantów, architektów i użytkowników. W tym katalogu prezentujemy kolekcje, które powstały w ścisłej współpracy z ekspertami z branży.

Wprowadziliśmy pięć nowych kolorów: P128 – Bordowy, P130 – Granatowy, P129 – Brudny róż, P115 – Kaszmir, P127 – Oliwkowy brąz – starannie wybranych z myślą o aktualnych trendach i projektach wnętrzarskich.

Znajdziesz tu zarówno minimalistyczne formy, jak i bardziej dekoracyjne rozwiązania – bo wnętrza mają różne potrzeby. Bo piękno tkwi w detalu.
